描述 [Top](#)

用该方法获取您的套餐信息

返回值 [Top](#)

返回值包含 VPS 主机套餐信息和其他产品的套餐信息

范例:

US Server

返回的 VPS 主机的结构为:

```
"vpslinuxus":
{
  "plan-id":
  {
    "supported_os":
    [
      {
        "os_display_name":"OS Display Name",
        "os_name":"OS Name",
        "addons":
        [
          {
            "addon1-name":"Addon1 Name",
            "is_paid):(true or false),
```

```

        "no_of_domains":value,

        "free_quantity":value,

        "conflicting_addon_names":["addon2-name"]
    },
    {
        "addon2-name":"Addon2 Name",
        "is_paid):(true or false),
        "no_of_domains":value,
        "free_quantity":value,
        "conflicting_addon_names":["addon1-name"]
    },
    {
        "addon3-name":"Addon3 Name",
        "is_paid):(true or false),
        "no_of_domains":value,
        "free_quantity":value,
        "conflicting_addon_names":[]
    }
],
    "is_default"(true or false)
}
],
    "plan_name":"Plan Name",
    "bandwidth":value,
    "ram":value,
    "space":value,
    "cpu":value
}
}

```

India Server

VPS 主机印度产品的返回值结构:

```
"vpslinuxin":
{
  "plan-id":
  {
    "supported_os":
    [
      {
        "os_display_name":"OS Display Name",
        "os_name":"OS Name",
        "addons":
        [
          {
            "addon1-name":"Addon1 Name",
            "is_paid):(true or false),
            "no_of_domains":value,
            "free_quantity":value,
            "conflicting_addon_names":["addon2-name"]
          },
          {
            "addon2-name":"Addon2 Name",
            "is_paid):(true or false),
            "no_of_domains":value,
            "free_quantity":value,
            "conflicting_addon_names":["addon1-name"]
          },
          {
            "addon3-name":"Addon3 Name",
            "is_paid):(true or false),
            "no_of_domains":value,
            "free_quantity":value,
            "conflicting_addon_names":[]
          }
        ]
      },
    ]
  }
}
```

```
        "is_default"(true or false)
    }
],
"plan_name":"Plan Name",
"bandwidth":value,
"ram":value,
"space":value,
"cpu":value
}
}
```
