

代理商如何找到自己的销售平台地址

从官网登录进后台后，这边进去可以看到自己的销售平台地址：

The screenshot shows the SuperSite 2 management interface. At the top, there is a navigation bar with tabs for '下级代理商' (Sub-agent), '我的帐单' (My bill), '设置' (Settings), '工具' (Tools), and '帮助' (Help). The '设置' (Settings) tab is active, and a dropdown menu is open, highlighting '品牌化设置' (Brandization Settings). Below the navigation bar, there is a sidebar with a '概览' (Overview) section and a 'SuperSite和PartnerSite' (SuperSite and PartnerSite) section. The 'SuperSite 2' option is selected in the sidebar. The main content area displays a message: '介绍新款的SuperSite, 优化了用户界面的同时, 提升了客户的体验。' (Introducing the new SuperSite, which optimizes the user interface and improves the customer experience.) and a button labeled '预览新的SuperSite 2' (Preview new SuperSite 2). Below this, there is a section titled '定制SuperSite 2' (Customize SuperSite 2) with a button labeled '登录个性化设置后台' (Log in to personalized settings backend). The '品牌URL' (Brand URL) section is highlighted, showing two options: '部分自定义URL' (Partially custom URL) and '完全自定义URL' (Fully custom URL). The '部分自定义URL' section shows a text input field containing 'supersite.mvorderbox.com' and a button labeled '更改前缀' (Change prefix). The '完全自定义URL' section provides instructions for specifying the initial domain and adding A records. A '更新' (Update) button is located at the bottom of the '品牌URL' section.

红色框里的地址即为销售平台的地址，系统默认是一个二级域名。
