

如何修改 Plesk 管理界面语言为中文

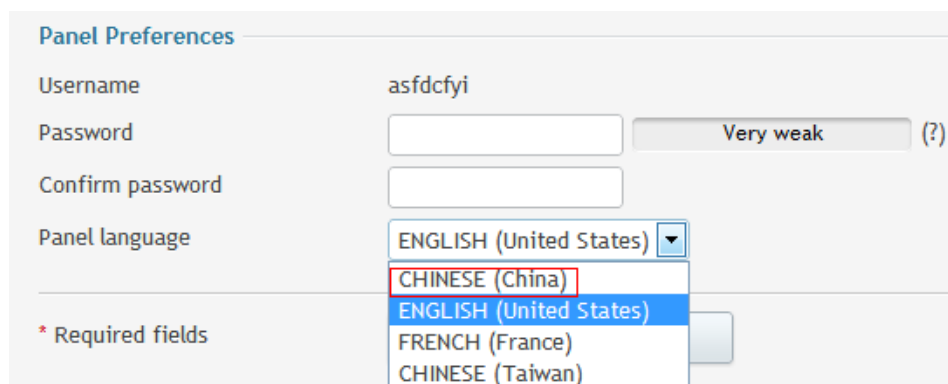

1、在后台找到你的主机

2、进入 Plesk 面板找到

3、在下图所致地方选择修改

The image shows a 'Panel Preferences' form. It includes fields for 'Username' (asfcdcfyi), 'Password' (with a strength indicator 'Very weak'), and 'Confirm password'. The 'Panel language' dropdown menu is open, showing options: 'ENGLISH (United States)', 'CHINESE (China)', 'ENGLISH (United States)', 'FRENCH (France)', and 'CHINESE (Taiwan)'. The 'CHINESE (China)' option is highlighted with a red border. A legend at the bottom left indicates that fields with an asterisk (*) are required.

点击 OK 保存即可完成切换语言操作。
